1 Subs. The Mr. Asst Conservator complains that much of the octroi Revenue is being lost to the Municipality on account of the evasion of certain merchants from the payment of octroi on dutiable articles imported from outside by Railways.

2 In Ex. I have the honor to forward herewith a copy of the Coriibin Municipal President's No:Ml.34/25-26 dated 22-12-25 for information. It will be seen from the President's report that on account of the evasion of certain merchants fro the payment of Octroi on dutiabl articles imported from outside by Railways much of the revenue realis - ble therefrom is lost to the Municipality. The resources of the Council are poor and they have been earnestly endeavouring to improve their income. They feel handicapped for want of co-operation on the part of the Railway officials to watch the imports closely and recover Octroi on articles imported into the town for consumption. While Government have in their Order No:L.710-22/Ml.186-21-2 dated 24-7-22 ordered that officials of the Mysore Railways should give assistance tothe officials of the Municipal Council, in connection with the recovery of Octroi duty on goods imported by Railway, there appears to be no ruling under which the officials of other Railways are bound to render similar assistance. This appears to be thereason for the Traffic Superintenient having declined to enter into any arrangement with the Municipal Council. It may be added that unless the co-operation of the Railway officials is enlisted there appears to be no way out of the difficulty. I request therefore that you will be so good as to address the M.S.M. Railway Authorities to afford facilities similar to those given by th Mysore Railways in connection with the levy of Octroi duty by the Munic pal Council.

Letter No:Ml.54/25-26 dated 29-9-25 from the President, Municipal Council, to the Deputy Commissioner, Kolar District.

I beg to state that it having come to my notice that some local merchants who get octroi dutiable articles by railway evade payment, I addressed the District Traffic Superintendent, M.S.M. Railway, Bangalore, to instruct the Station master of Goribidnur to adopt the procedure followed in the Mysore State Railways as per G.O. No:L.710-22/Ml.186-21-2 dated 24-7-22,and to give all reasonable facilities to the Sanitary Maistry of this Municipality to collect Octroi within the Railway premises. The Superintendent has replied that it is not possible for him to comply with the request. So I beg to request that the Traffic Manager, M.S.M. Railway may kindly be addressed in the matter and some convenient arrangement made so that the finances of the Municipality may not be affected.

S i r,

I am directed to state that the - - - President of the Municipal Council, Goribidnur, Kolar District has brought to the notice of Government, that the Octroi revenue of the Municipality has suffered on account of the attempt on the part of certain merchants to avoid payment of Octroi on dutiable articles imported into the Municipality from outside through railways and want of co-operation on the part of the Railway Officials of the -- Goribidnur Railway Station in regard to the recovery of Octroi on such articles by the local Octroi staff. ~~This~~ With a view to prevent the smuggling of such dutiable articles imported into Municipalities through the State Railways, the Government have in their Order No.L.710-22/Ml.186-21-2 dated 24th July 1922 (a copy ~~of~~ which enclosed for ready reference) ordered that the Municipal ~~may~~ Councils may depute clerks to work at Stations along with the Railway staff, so that they may collect the Octroi ~~x~~ due before the railway staff can deliver the consignments to the parties concerned. The Municipal Officials are also allowed to look into records on other than working days to satisfy themselves whether duty has been - osed on such lgs.

It is reported that the District - - - Traffic Superintendent, M.&.S.M. Railway, Bangalore, who was addressed to instruct -- the Station Master, Goribidanur Railway -- Station to adopt the above procedure and to give all reasonable facilities to the Octroi collecting officials of the Municipality to collect Octroi within the Railway premises, has declined to enter into such an arrangement, as no such rule obtains in that - - - Railway.

I am therefore desired to request you to move the Hon'ble the Resident to address the M.&.S.M. Railway authorities to afford, in regard to dutiable articles imported -- into Municipalities in the State through their railways, the same facilities as are afforded by the State Railways under the -- Government Order of the 24th July 1922 --- referred to above.

With reference to your letter No.1849, dated the 5th February 1923, I have the honour to ~~xxxxx~~ inform you that the matter has received my careful consideration and I regret that I am unable to reconsider my decision.

At Belgaum and Poona, to quote only two instances, the Municipality have long established Octroi Offices immediately outside the Railway gates, and these offices deal with all goods received by rail and imported into the area controlled by the Municipality. I would suggest that a similar arrangement might be made at Birur.
